Dare to Dream

Luz Aponte is a South Florida Hispanic artist who notwithstanding the challenges of developmental disabilities, with the support of her team and technology creates abstract art that conveys a special meaning and message to those who see and purchase them. Owning a piece of LUZ's art will inspire you to "Believe In", to "Dare to Dream", to "Enjoy...", and to see the "Possibilities" for your life's "Prosperity" moving beyond your personal challenges. An inspiring micro-enterprise pioneer, Lucy demonstrates that people can reach their dreams by using their talents to develop their own businesses and achieve the American dream of self-sufficiency. Her family's motto: To Love, To Learn, To Share and To Serve. Lucy's business name: Life's Unlimited Zenith, LLC is best understood by Gandhi's quote: "My life is my message."

"Not being able to speak is not the same as not having anything to say, to do, to learn, to dream!"
